Our Response

Please find below our response to your request for information regarding the adoption of the International Holocaust Remembrance Alliance (IHRA) definition of antisemitism.

Question 4: Adoption of the IHRA definition of Antisemitism

NHS Resolution has adopted the International Holocaust Remembrance Alliance (IHRA) definition of antisemitism, in line with the approach taken across the wider NHS and public bodies.

Information regarding this position is publicly available on our website and can be accessed at [International Holocaust Remembrance Alliance \(IHRA\) definition of antisemitism - NHS Resolution](#)

This reflects NHS Resolution's alignment with UK government expectations communicated through [Government to tackle antisemitism and other racism in the NHS - GOV.UK](#) and the wider NHS approach to addressing antisemitism.

NHS Resolution does not hold a formal record of a single decision by a specific Board or committee adopting the IHRA definition; rather, NHS Resolution's position has been implemented in line with national direction and communicated publicly as set out above.

Question 5: Email addresses for CEO and legal correspondence
