**Framework Agreement
Between the Department of Health and the NHS LA**

Annex D: Relationships with other bodies

Annex D: Relationships with other bodies

In order to deliver its functions efficiently and effectively, and to support alignment across the whole system, the NHS LA will work closely with:

- DH, NHS Trusts (including Foundation Trusts), NHS England, clinical commissioning groups, special health authorities, other providers and commissioners of NHS care, and other Arm's Length Bodies.
- In administering the Schemes, the NHS LA will remain sensitive to the views of Scheme members and potential scheme members, while keeping in view the general policy objectives set out above. It will also retain the confidence of NHS health professionals that their legitimate interests will be taken into account.
- Regulators, Royal Colleges, Deaneries, Health Education England, Public Health England, where appropriate insurers, and other stakeholders (including but not limited to the devolved nations).
