The following information was requested on 19 February 2019:

*Accordingly, please could you send me, the names and contact details, including email address of any/all person(s) who are involved in the decision making-process for the Procurement of Telecoms and IT Hardware and Services for your organisation. (E.g. Procurement, IT, Sustainability roles)*

## **Our Response**

We reasonably believe that, based on the nature of your request, that the information you have asked for is likely to be used for direct marketing communications. Under s. 40(3B) FOIA, we are not required to supply personal data where the disclosure would contravene Article 21 of the GDPR (general processing: right to object to processing). Under Article 21(2)-(3) GDPR, individuals have an unrestricted right to stop processing for direct marketing purposes, and it is unlawful to further process their data for that reason. Individuals working for NHS Resolution have told us not to process/disclose their data for direct marketing purposes and we therefore cannot supply the details you have asked for.

If you are interested in procurement opportunities with NHS Resolution, you may contact **020 7811 2700** or e-mail: [Contract.Queries@resolution.nhs.uk](mailto:Contract.Queries@resolution.nhs.uk)

## **This concludes our response to your request.**

If you choose to do this, you should write to [Tinku Mitra](#), Head of Corporate and Information Governance for NHS Resolution, within 28 days of your receipt of this reply. Reviews of decisions made in relation to information requests are carried out by a person who was not involved in the original decision-making about the request.

If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a review of the decision.
