

January 2020  
 FOI\_4135

The following information was requested on 28 November 2019:

*Please tell me the number of claims closed or settled for each member of the NHS Resolution scheme (typically NHS Hospital Trusts but please include any other bodies such as the Department of Health) for the financial years, 2014/15, 2015/16, 2016/17, 2017/18, 2018/19 and – if available - 2018-19 to date, where one of the causes of the claim was either “failure/delay diagnosis” or “wrong diagnosis”.*

*Please break it down by the number of claims that were:*

- a) *Open claims yet to be closed/settled*
- b) *Closed with no damages paid (not found in favour of the claimant)*
- c) *Settled with damages paid (found in favour of the claimant)*

*For the claims which were found in favour of the claimant please include the number of claims, the damages paid, defence costs paid, claimant costs paid.*

*Please provide this in an Excel spreadsheet (filetype either .xls, .xlsx or .csv) with column headings as per the example below:*

<i>Year of closure/settlement</i>	<i>Member name</i>	<i>Number of claims</i>	<i>Open Claims yet to be closed/settled</i>	<i>Claims closed with no payment to claimant</i>	<i>Claims settled with payment to claimant</i>	<i>Damages paid (£)</i>	<i>Defence costs paid (£)</i>	<i>Claimant costs paid (£)</i>
2018/19	Hull & East Yorkshire Hospitals NHS Trust	36	1	31	4	£2,698,231	£344,237	£1,614,240

*Please note: We are aware a similar request was submitted by a third party but this does not include the claims won figures and only applies to the ‘top 10’ NHS trusts. We are requesting data for all bodies.*

## Our Response

Please find attached the requested information. We are unable to present the data in the way you have set out above.

We have suppressed low figures as we believe that disclosure of information with this level of granularity is exempt under Section 40(2) by virtue of section 40(3)(a)(i) of the Freedom of Information Act 2000, where disclosure to a member of the public would contravene one or more of the data protection principles. The data protection principles are set out in Article 5 of the General Data Protection Regulation. We take the view that it would not be fair or lawful (given the sensitive and confidential nature of the information held) to disclose such information, and any disclosure would therefore contravene the first data protection principle.

In some instances the low numbers of claims (fewer than 5) in each category, the likelihood exists that individuals who are the subject of this information may be identified either from this information alone, or in combination with other available information. In addition to this, as this information is considered to be sensitive personal data (the data subjects' medical condition); NHS Resolution believes it has a greater responsibility to protect those individuals' identities', as disclosure could potentially cause damage and/or distress to those involved. Where we are in the territory of such small numbers in the attached, we have used a '#' symbol in the relevant field. You should still be able to see aggregate/total details for higher level fields containing this data.

If you would like to know how data is categorised in our Claims database please see the following link: [Glossary](#)

**This concludes our response to your request.**

If you are not satisfied with the service that you have received in response to your information request, it is open to you to make a complaint and request a formal review of our decisions. If you choose to do this, you should write to [Tinku Mitra](#), Head of Corporate and Information Governance for NHS Resolution, within 28 days of your receipt of this reply. Reviews of decisions made in relation to information requests are carried out by a person who was not involved in the original decision-making about the request.

If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a review of the decision. Generally, the Information Commissioner will not make a decision unless you have exhausted the local complaints procedure. The address of the Information Commissioner's Office is:

Wycliffe House  
Water Lane  
Wilmslow  
Cheshire  
SK9 5AF

**Open Claims as of 31-Oct-2019 where one of the causes was either "failure/delay diagnosis" or "wrong diagnosis" broken down by member with 5 claims or more**
