FOI\_4138

The following information was requested on 3 December 2019:

*Please could I have an update on Settled Claims for Large Acute Trusts to **2019**?  
I am attaching a copy of the information provided to us last year for ease of reference.*

*Previous request FOI\_3553 [I am now after some information on settled claims for large acute Trusts as per the example attached from a previous request.*

*Would you be able to provide an update to 31 March 2017 or around that date?]*

## **Our Response**

Please find the requested information attached. Please note that we have not been able to keep the same Trust reference numbers as the previous report was produced by a different system and we are unable to replicate the same report.

Therefore, please note T12 is now Frimley Health NHS Foundation Trust not T13, same with the others, they may or may not have the same trust codes.

### **This concludes our response to your request.**
