The following information was requested on 23 July 2020:

Regarding patents that your organisation does own or has previously owned, as a sole owner or jointly with others, please provide me with:

- 1. The number of licensing or assignment agreements signed between your organisation and another entity/entities, granting rights to such patents or transferring ownership of such patents, since the year 2000.*
- 2. A list of all licensing agreements signed between your organisation and other parties on such patents, containing, for each agreement: the name(s) of the party/parties and year of signing, since the year 2000.*
- 3. The annual income from each of these licensing agreements, by year, since the year 2000.*
- 4. A list of all patents that your organisation does own or has previously owned, as a sole owner or jointly with others.*

If you estimate that the total work-hours required to satisfy this request would exceed the statutory requirement, I request that you prioritise in the order of points listed above, with #1 first and #4 last.

Our Response

We do not have such patents and licences as they are not required for our business.

This concludes our response to your request.

If you are not satisfied with the service that you have received in response to your information request, it is open to you to make a complaint and request a formal review of our decisions. If you choose to do this, you should write to [Tinku Mitra](#), Head of Corporate and Information Governance for NHS Resolution, within 28 days of your receipt of this reply. Reviews of decisions made in relation to information requests are carried out by a person who was not involved in the original decision-making about the request.

If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a review of the decision. Generally, the Information Commissioner will not make a decision unless you have exhausted the local complaints procedure. The address of the Information Commissioner's Office is:
