The following information was requested on 24 August 2020:

*I've checked the published judgements for medical contracts where a dispute has been raised because procurement process hasn't been followed, especially for PMS or APMS contract holders.*

*As you have archived judgements older than 3 years I was wondering if you could provide any decisions where the dispute was in relation to procurement concerns.*

## **Our Response**

The dispute resolution procedure for the procurement of APMS and PMS contracts is not something which has been delegated to NHS Resolution.

### **This concludes our response to your request.**

If you choose to do this, you should write to [Tinku Mitra](#), Head of Corporate and Information Governance for NHS Resolution, within 28 days of your receipt of this reply. Reviews of decisions made in relation to information requests are carried out by a person who was not involved in the original decision-making about the request.
