We are delighted to invite you to our in-person medical negligence claims seminar on Thursday 25 May where our healthcare team will be presenting on some of the key issues facing claims handlers including:

- **Case law update** - An overview of the most important recent cases in healthcare litigation
- **Horizon scanning in the healthcare sector**
- **Litigants in person:** the judicial approach and practical considerations in managing self-represented litigants'
- **Managing the individual** - A discussion on managing and supporting the individuals involved in clinical negligence claims.

The seminar will be followed by lunch and networking.
